## ELECTION JUDGES

Their duties and responsibilities

St. Clair County  
Clerk's Office

THOMAS HOLBROOK  
COUNTY CLERK

Election judges help to insure that the rights of voters are protected on Election Day. This pamphlet points out the qualifications necessary to become an election judge and also some of their important duties and responsibilities.

## WHAT ARE JUDGES OF ELECTION?

Judges of elections are responsible for the administration of election procedures in the polling place on Election Day. They are in the position of ensuring that the election process is administered fairly and in accordance with the law.

## WHAT ARE THE QUALIFICATIONS NECESSARY TO BE AN ELECTION JUDGE?

- Be a citizen of the United States;
- Be of good repute and character;
- Be able to speak, read, and write the English language;
- Be skilled in the four fundamental rules of mathematics;
- Be of good understanding and capable;
- Not be a candidate for any office in the election and not be elected precinct committeeman;
- Reside in and be entitled to vote in the precinct where selected to serve as judge. However, in each precinct one judge of each party may be appointed from outside the precinct, but from within the county. All judges must be electors within the county.

## HOW ARE JUDGES SELECTED?

In federal, state, county, township, and, municipal elections, judges of election are selected by county board, or if appropriate, the board of election commissioners, from lists furnished by the chairman of the county central committees of the two leading political parties. For each polling place three judges are appointed from one party and two from another.

In precincts under the jurisdiction of the county clerk, the party which cast the highest average number of votes at the most recent three gubernatorial elections in the precinct shall be represented by three judges; the party which cast the second highest number of votes at the three most recent gubernatorial elections in the precinct shall be represented by two judges.

Under the jurisdiction of the board of election commissioners, the two leading political parties, alternate having the majority representation. One party is represented by three judges of election in each of the odd-numbered precincts and by two judges of election in each of the even-numbered precincts; the other party is represented by three judges in each of the even-numbered precincts and by two judges in each of the odd-numbered precincts.

After selections are made, a report is filed in the circuit court and application is made for their confirmation and appointment by the circuit court.

## HOW ARE JUDGES TRAINED?

Judges training classes are held before each election. For any further information please contact the County Clerk's Office at 618-277-6600, Ext. 2369

## HOW MAY I BECOME AN ELECTION JUDGE?

Contact the chairman of the party of your choice or your County Clerk or Board of Election Commissioners and express your interest in serving as a Judge of Election.

Election judges are vital to the conduct of efficient and honest elections to which voters are entitled.

## DID YOU KNOW???

### THERE ARE ELECTIONS EVERY YEAR!!!

There are four types of regular elections in Illinois: the general [primary](#) election and the general election, which occur in even years, and the consolidated primary election and the consolidated election, which occur in odd years.<sup>[6]</sup>

The election day for the general election is the Tuesday after the first Monday in November of each even year,<sup>[7]</sup> which is the day usually associated with [election day in the United States](#). Its associated general primary election is held on the preceding third Tuesday in March.<sup>[7]</sup>

The election day for the consolidated election is the first Tuesday in April of each odd year, unless that day is during [Passover](#), in which case the election is the first Tuesday after Passover.<sup>[7][8]</sup> Its associated consolidated primary election is held on the preceding last Tuesday in February.<sup>[7]</sup> The consolidated election was established in 1982; before this, many local governments held separate elections on unrelated days at unrelated places.<sup>[9]</sup>
