

**Help keep your voter registration up to date.**

If you (or someone you know) is registered at a previous address, please fill out and send this form in so that your inaccurate registration can be "cancelled" prior to the next election.

**1. Check to see if you are registered:**

Illinois State Board of Elections: <https://www.elections.il.gov>

Information for voters-> Online Voter Registration

Check your name and previous address.

**2. If registered**, it will give you a link to the old Election Authority. Follow the link to find their contact information an address.

(You may be registered more than once - automatic voter registration seems much better at adding new registrants than at removing no longer valid ones)

**3. Send or take this signed form in.**
